SUPPLEMENTAL AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Office Action dated March 25, 2004 indicated that none of the certified copies of the priority documents have been received. Applicants mailed a copy of the priority document (GB 9929696.4) on April 5, 2001 and received a postcard receipt (copy enclosed) indicating receipt by the Patent Office on April 9, 2001. Therefore, it would

appear that the priority document was received and it is respectfully requested that the Patent Office indicate this of record.

In the event that there is still a problem, the undersigned would be pleased to discuss it by telephone if that would be convenient for the Office.

Respectfully submitted,

Gerard J. McGowan, Jr.
